## Lo Stucco ai granelli di Terracotta!

Stucco decorativo a base di grassello di calce contenente all'interno granelli di Cocciopesto; l'effetto finale è caratterizzato dalle "sfiammature" tipiche del Cocciopesto, e dall'effetto traslucido tipico dello stucco a calce.

A photograph of a room with a textured, light-colored wall. In the foreground, a wooden bookshelf is filled with books. On top of the bookshelf, there is a large, rectangular mirror with a dark, ornate frame. The mirror reflects a white wall and a dark wooden shelf with two red vases. To the right of the mirror, a white desk lamp with a long, adjustable arm is mounted on the wall. Below the lamp, a small, dark brown box is visible on the bookshelf. The overall scene is a well-lit, organized space.

## **Lime putty with Terracotta grains!**
